HAIR NATURALLY ABUNDANT.

When It Is Free of Dandruff, It Grows Luxuriantly.

Male preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs. It always itching instantly; makes hair glossy and soft as silk. Destroy the cause, you remove the effect. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol Dyspepsia Cure. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it.
Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weak, and become diseased.

Kodol Dyspepsia Cure
enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol cures indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

Whistle-blowing.

Assistant Secretary Murray, of the Department of Commerce and Labor, in conjunction with the Board of Supervising Inspectors of Steam Vessels, now in annual session in Washington, yesterday gave consideration to the complaint filed with the department by Mrs. Isaac L. Rice, of New York, against the alleged unnecessary tooting of whistles in New York harbor. Mrs. Rice furnished a number of documents from superintendents of hospitals, captains of the larger steamers and the Department of Health of New York tending to show that there was a great amount of unnecessary whistling, particularly during the night. The complaint is directed mainly against the smaller steam craft, testimony being introduced to show that 90 per cent. of their whistling was unnecessary. In the informal discussion which followed, the consensus of opinion was that the United States government had no jurisdiction in the matter, but that it rather was a subject for the consideration of the State and local authorities. It is thought by many people that there is considerable unnecessary whistle-blowing in cities. Nearly every manufactory which is operated by steam sounds a whistle three times a day to call the operatives to labor or to call them off again.

Mangled by Bulldog.

Mrs. Mary Shope, wife of Robert Shope, of Richmond, was horribly mangled Saturday by a vicious bulldog, while she was visiting at the house of a neighbor, Mrs. Christopher. The dog attacked her 11th daughter, followed the girl into the house. Mrs. Shope sprang to her daughter's assistance, and the dog jumped and caught the woman by the throat, throwing her to the floor. The dog then settled his fangs in the woman's thigh, shaking her and dragging her about the room, and tearing at her flesh. Mr. Christopher attempted fruitlessly to beat off the dog from the woman, who lay in a pool of blood, with the animal still pulling savagely at her. James Shope, son of the prostrate woman, appeared at last with an iron bar, with which he struck the brute up on the head the dog dying with his teeth still embedded in the flesh of his victim. Mrs. Shope is in a critical condition. The child was not bitten severely. Virus Brown, an old negro, owned the dog. Brown says that the dog, which he kept confined, broke his chain. Neighbors, however, say that the animal was allowed usually to roam at large. Feeling is running high against Brown.

Japan Under Heavy Debt.

In the budget, which was introduced in the Japanese Parliament yesterday, the expenditures for the next fiscal year are estimated at \$515,000,000, including \$115,000,000 for ordinary administrative expenses. The ordinary receipts are estimated at \$120,000,000. The deficit of over \$395,000,000 will be met in part by the war taxes and by the sales of surplus materials, leaving a balance of \$215,000,000 to be liquidated mainly by the proceeds of a loan. Of this balance \$75,000,000, which is to be devoted to the payment of rewards, will be paid in bonds. The government also expects to receive about \$40,000,000 from other sources, principally from the Russian government in payment of the cost of maintaining Russian prisoners of war in Japan. The loan to be floated will approximate about \$100,000,000. The estimates do not include the expenses to be incurred in the development of Korea and Manchuria.

Women Attacked in St. Louis.

Seven women, one fifty-seven years of age, and all of whom are employed in St. Louis in various capacities, were victims Monday night of "Jack the Cutter," who stabbed each with a sharp, apparently double-edged knife. The assaults all occurred on crowded streets. Six of the victims were stabbed in their legs, the seventh in the shoulder. The police are completely puzzled and have formed the theory that an insane man is prowling the streets armed with a stiletto, slashing victims at pleasure, but always selecting women. None of the victims of his work is seriously injured.

The Diamond Cure.

The latest news from Paris, is, that they have discovered a diamond cure for consumption. If you fear consumption or pneumonia, it will, however, be best for you to take that great remedy mentioned by W. T. McGee, of Vanleer, Tenn. "I had a cough for fourteen years. Nothing helped me until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which gave instant relief and effected a permanent cure." Unequaled quick cure for Throat and Lung Troubles. At E. S. Leadbeater & Sons' drug store; price 50c and \$1.00, guaranteed. Trial bottle free.

Chamberlain's Cough Remedy the Best Made.

"In my opinion Chamberlain's Cough Remedy is the best made for colds," says Mrs. Cora Walker, of Potomac, California. There is no doubt about its being the best. No other will cure a cold so quickly. No other is so sure a preventive of pneumonia. No other is so pleasant and safe to take. These are good reasons why it should be preferred to any other. The fact is that few people are satisfied with any other after having once used this remedy. For sale by Gibson & Timberman and W. F. Creighton & Co.

Perfection can only be attained in the physical by allowing Nature to appropriate and not dissipate her own resources. Catarrhs, gripes, weakens—disrupts, while DeWitt's Little Early Risers simply expel all putrid matter and life, thus allowing the liver to assume normal activity. Good for the complexion. Sold by W. F. Creighton & Co., 401 King street.

WOMEN WHO CHARM

HEALTH IS THE FIRST ESSENTIAL

It Helps Women to Win and Hold Men's Admiration, Respect and Love

Woman's greatest gift is the power to inspire admiration, respect, and love. There is a beauty in health which is more attractive to men than mere regularity of feature.

Mrs. Chas. F. Brown

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study. At the first indication of ill-health, painful or irregular periods, headache or backache, secure Lydia E. Pinkham's Vegetable Compound and begin its use.

Mrs. Chas. F. Brown, Vice-President Mothers' Club, 21 Cedar Terrace, Hot Springs, Ark., writes:

Dear Mrs. Pinkham:—
"For nine years I dragged through a miserable existence, suffering with inflammation and female weakness and worn out with pain and weariness. I once day noticed a statement by a woman suffering as I was, but who had been cured by Lydia E. Pinkham's Vegetable Compound, and I determined to try it. At the end of three months I was a different woman. Every one remarked about it, and my husband fell in love with me all over again. Lydia E. Pinkham's Vegetable Compound built up my entire system, cured the trouble, and I felt like a new woman. I am sure it will make every suffering woman strong, well and happy, as it has me."

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), displacements, inflammation or ulceration, that "bearing-down" feeling, dizziness, faintness, indigestion, or nervous prostration may be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound.
